MEMORANDUM FOR RECORD

SUBJECT: Commander's Policy Letter: Motorcycles

1. Every member of this command is a vital asset, essential in our ability to accomplish our mission. As such, it is the command team's prerogative to avoid exposing its Soldiers to any unnecessary risk.
2. Many of our Soldiers are on medication that impairs their reaction time and their ability to operate vehicles at high rates of speed. Many of them are also suffering from injuries that would make riding a motorcycle difficult and inordinately dangerous.
3. Soldiers are hereby prohibited from driving a motorcycle for as long as they are in C CO WTB. This prohibition extends to all electronic or gas powered biped vehicles, to include but not limited to: mopeds, motor scooters, Vespas, etc.
4. The POC for this action is the undersigned at 354-7088.

A handwritten signature in black ink, appearing to read "BKR", is located below the list of points.
